Summer Flowering Bulbs
Hardy Perennial Plants

FRANKEN BROTHERS

Telephone 227J

Deerfield, Illinois

SPECIAL NOTICE

Persons to whom this Price List is sent will also receive in May or June, our General Catalogue, which will contain the largest and finest collection of Holland Bulbs and Perennial Plants for Autumn delivery which we have ever offered.

CONCERNING OUR PRICES

The prices named in this list are for first-quality bulbs and plants, properly packed and delivered to the Express or Freight office in Deerfield, free of all charges for packing or cartage. Express or freight charges for transportation, must however, be paid by the purchaser.

SHIPPING

The opinion is prevalent that plants and bulbs can be sent cheaply by Parcel Post, but such is not the case. The rates of the Express companies have lately been reduced, and it is not only quicker and safer to send packages through them but almost invariably cheaper also.

We shall, therefore, **ALWAYS SHIP BY EXPRESS** unless we have positive orders to the contrary, and we **guarantee the safe delivery** only on packages so shipped.

In those instances where our customers make special request that their goods be sent by Parcel Post we will do so provided sufficient postage is remitted.

6 or more of any one kind of bulbs or plants offered in this price list will be sold at the dozen rate, and 25 or more at the 100 rate.

Purchasers please state whether goods shall be shipped by freight or express.

On orders amounting to \$5.00 or more, 5 per cent may be deducted when money accompanies the order.

Orders from unknown correspondents must be accompanied by cash or satisfactory references.

Money should be sent only by safe methods, preferably postal or express money orders payable to **FRANKEN BROTHERS** at **Deerfield, Illinois**, or drafts on Chicago or New York.

Peonies

We consider peonies to be the most satisfactory decorative garden plants under cultivation today. In beauty, color and fragrance they rival the finest roses and are far superior to them in vigor, hardiness and freedom from disease and insect pests. Our varieties are of the best and the plants are well established clumps freshly dug on the day of shipment. (We do not send "divisions").
